

A SPA-LIKE UPGRADE FOR YOUR SHOWER

What: The Octane series from Jaquar group
The Jaquar Group has introduced Octane, a premium shower range designed to elevate your daily shower to a more immersive experience. The collection features overhead and hand showers with multiple spray modes that allow users to move between a soft mist, a fuller rain spray, and focused massage settings using an easy slider control. Designed with both aesthetics and functionality in mind, Octane is available in finishes such as chrome, matte black, and metallic tones, suited for contemporary bathrooms.

Price: On request

Available from: Jaquar dealers across India
