

tensive portfolio in each segment. All the products in the Jaquar Lighting range offer advantages of energy saving and high quality to deliver unmatched value.

Lighting solutions

» Jaquar Lighting has unveiled an opulent range of chandeliers to light up your home with elegance. Reminiscent of real candle chandeliers from many centuries ago, that were lowered, lit and then pulled up by rope, these chandeliers from Jaquar Lighting can accentuate a room's traditional elegance.

The exclusive collection consists of Apus, Ara, Mensa, Antlia and Vela, and these chandeliers can instantly enhance a room.

Jaquar Lighting has a holistic solution for all lighting requirements from simple consumer products to complex industrial solutions, with an ex-
