Lighting Solutions

In line with our vision to be a global leader in Complete Bathroom and Lighting Solutions for inspired living, Jaquar offers a unique and comprehensive portfolio of products for every kind of bathroom and lighting application.

2 Ready-to-move-in bathrooms

Forget the hassles of noisy plumbing and civil work after moving into the house. The unique convenience of Jaquar's Complete Bathroom and Lighting Solutions, which provides you with each and everything required, enables you to have bathrooms that are finished, and a beautifully lit home, ready for residents from Day 1.

3 Innovative, designer products

Jaquar's designs are the perfect synthesis of form and function. They have transformed the industry from being merely utilitarian to one that's aspirational. At Jaquar, product designs meet global parameters on ergonomics, finish, material, safety, environmental impact and functionality. Jaquar products, designed by globally renowned designers, dominate millions of hearts across the world. Jaquar's approach to design has resulted in many achievements, including winning the prestigious RedDot Design Award among others, which illustrates the global appeal of our portfolio.

4 Complete LED lighting solutions

We offer single window solution from planning to after sale service of the supplied products.

For every lighting requirement in your home, office, retail space, factory, garden or even building façade illumination, now look no further than Jaquar Lighting! Our complete range of LED lights offer high-efficiency, durable products that add excellent visibility and aesthetics in any environment. From high-lumen smart bulbs and tube-lights to downlighters, floodlights and more, as well as aesthetically stunning chandeliers, wall and table lamps, there's a wide assortment of state-of-the-art LED solutions awaiting you in Jaquar Lighting's product line-up. We also offer single window solution from planning to after-sale service of the supplied products.

6 India's preferred brand

- Produce more than 125,000 faucets every day
- Ten-fold growth in a decade
- A dedicated workforce of more than 10,700 employees worldwide
- Superbrand status 10 times in a row

Jaquar is India's most preferred and trusted brand* in its category. A market share of over 60% in the bath fittings industry, and the 2.4 million bathrooms being delivered every year bear testimony to the trust it enjoys among users.

7 Made for tough, Indian conditions

Jaquar's seven state-of-the-art manufacturing facilities spread over 3,30,000 sq. m., use the most modern and advanced global technological processes. Its in-house R&D and testing laboratories comprehensively analyse each functional aspect of every product to ensure absolute quality. The result? Products that conform to not only the best global standards, but are also capable of withstanding the rigours of tough Indian usage conditions.

8 Acclaimed the world over

- Presence across 60+ countries
- One of the fastest growing bathroom brands in the world

A renowned 'Superbrand', Jaquar is a truly global brand with a presence across 60+ countries in Europe, Asia-Pacific, Middle East, Africa and SAARC region. Known for the highest and globally accepted quality standards in materials, technology and processes, Jaquar is today recommended by global architects and interior designers for some of the leading international residential, commercial and hospitality projects.
