

# TAP DANCE

Beautiful forms meet functional art in these spiffy spouts designed for a modern home

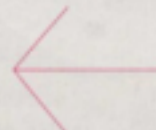

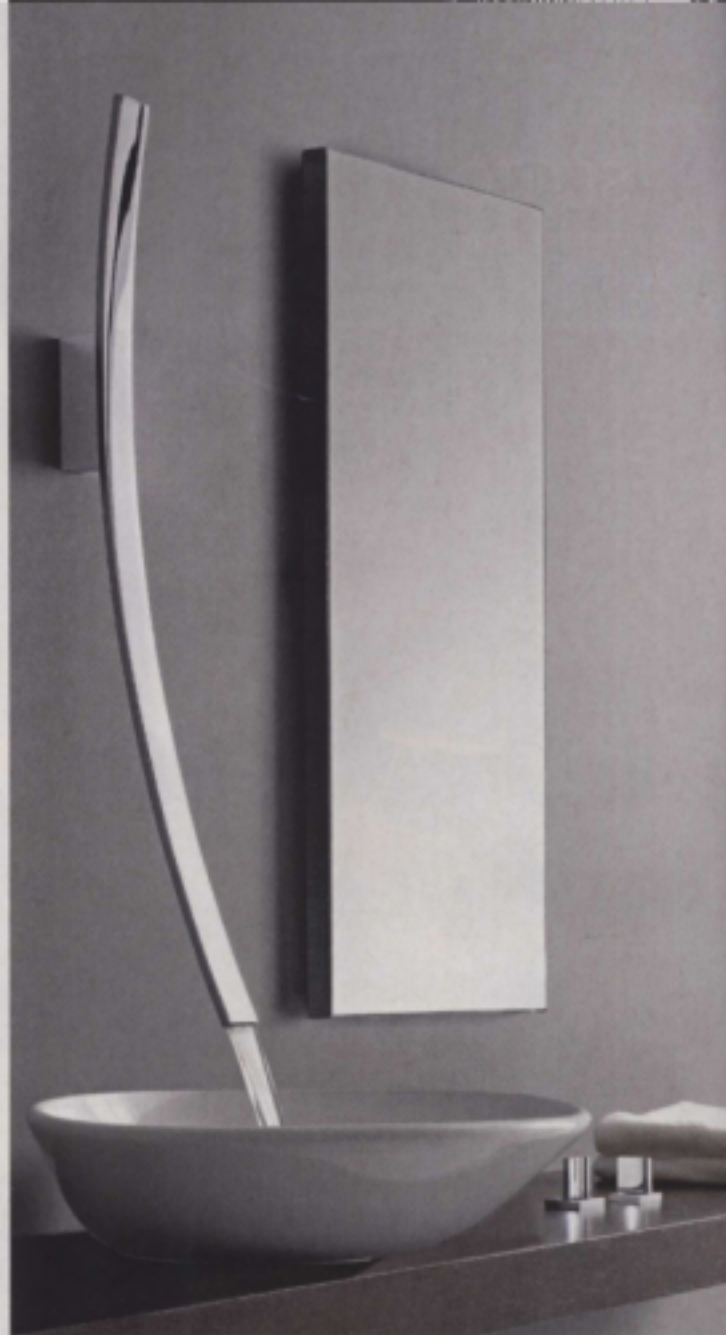

By RIDHI KALE

## Contemporary Elegance

Sleek and stylish, the Luna basin spout from Graff comes with deck mounted controls. Available in chrome finish, this one is perfect for those looking for drama.

## A Twist in the Tail

A bird, perched on the edge of a pool, became the basis of inspiration for the designers at Artize from Jaquar Group to create Tailwater. Here the tail acts as a mixer lever. When tilted backwards, the tap's form is transformed into a graceful silver arc.
