

LUXURIOUS BATHROOM SOLUTIONS

Parvez Amin,
President, Jaquar

Jaquar, with a presence across 30 countries, is India's trusted complete bathing solution brand. A known name in the bath fittings category since 50 years, Jaquar has transformed the industry from merely utilitarian to an inspirational, lifestyle-centric one. With the group's vision to evolve into a 'Complete Bathing Solutions' enterprise, it has diversified into various bath verticals like sanitary ware, shower enclosures, water heaters, concealed cisterns, and wellness products like whirlpools, shower panels, showers, steam cabins and spas.

Bathrooms can be one of the best de-stressing zones of your home. Yet, when it comes to building one, it may give you more stress than any other part of the house.

The Jaquar Orientation Centre

That's why Jaquar has 21 orientation centres across India for the convenience of consumers, builders and architects. The newly launched Jaquar Orientation Centre in Mumbai is spread over 8,500 sq ft and is a treasure house of ideas and solutions for bathroom interiors. One can see, touch and feel the latest collections and complete range of bath products and accessories. There are over 550 products and 34 of the latest bathroom concepts on display.

An experience zone manned by a team of

experts, it is the perfect place to discover the widest and latest range of bathroom products. You can also see a live demo, get expert advice, and seek installation and estimate assistance.

"If you're building a bathroom, your first step should be to visit the Jaquar Orientation Centre and discover unlimited possibilities," says Parvez Amin, President, Jaquar.
