

■ Jaquar Invests ₹150 cr to Expand Rajasthan Factory

MUMBAI Bath fittings and sanitaryware major Jaquar Group is nearly doubling its manufacturing facility for faucets with an in-

vestment of ₹150 crore as it targets 25% growth in revenues to ₹3,000 crore this fiscal, a top company official said. "We are expanding our manufacturing facility by 30,000 square metres for faucets in Bhiwadi, Rajasthan, which will be operational by the middle of next year," Rajesh Mehra, director and promoter of Jaquar Group, said.
